

## PLACEMENT CELL

Institute has an active placement cell ; comprising of a group of dynamic students ; working under the guidance and chairmanship of the Director and a faculty member as the coordinator. The present board of placement cell is as follows;

**Chairman DR. K.P.Rana**  
Placement Cell

The placement cell coordinates the Final Placement and Summer Training by interfacing directly and through CMD Alumni with the corporate bodies and organizes campus Interviews for the convenience of both the visiting companies and the students.

Placement activities at the institute commence with publishing of placement brochure and dispatching the same to leading organizations. The institute welcomes all organizations to participate in its placement programme.

### PLACEMENT SCHEDULE

Institute has three dedicated placement half-weeks; during the third week of December, January and February to enable the organizations to have focused attention on students. Organisations are welcome to schedule the recruitment efforts during this time with the full support of the placement cell of the institute.

If for some reasons an organization is unable to schedule their recruitment and selection activities during these placement half-weeks of the institute, alternate slots are made available to the organizations as per mutual convenience. Placement cell will render all possible services to the organizations for the smooth conduct of selection and recruitment activities- pre-placement talks, written tests, group discussions and interviews.

### PLACEMENT FORM

Attached with the brochure are separate forms for organizations to communicate their interest in participating in institute's placement programme and their requirements. There are separate forms for final placement and summer placements (refer page 59 and 60 respectively). Organisations may communicate their requirements to the placement cell telephonically or by e-mail at:
